

FAQ - Unroot

- In the Google Play Store, find the app: SuperSU (free)
- Install the app on the tablet
- Return to the home screen and tap on SuperSU
- Press "continue" at the first prompt
- Then press "normal"
- When the message "installation succes" appears, press "OK"
- When the message "follow me" appears, press "no thanks"
- Now go to "Settings"
- Scroll down to "Cleanup" and select the option "Full Unroot"
- Press "continue", wait a moment and the device has been unrooted.
